

# Quiz, Fizz, Beer and Cheer

The Oakmeadow Quiz, Fizz, Beer and Cheer night will be returning next month on March 1<sup>st</sup> and tickets are now on sale on school money!

The bar will be stocked with a selection of real ales, chilled prosecco and our signature G&T, as well as other drinks and soft drinks for those who need to drive.

Tickets are available at £5 per person and include entry to the quiz and your first drink is included.

We are very grateful to Tim Ryan who will be running the Quiz night for us - you may recognise him from the popular Beeches Quiz Nights.

We have a licensed bar and snacks to keep you all fed and watered throughout the evening, which begins at 8pm, with doors opening at 7.30pm.

Prizes for the quiz include a big box of Lindt Chocolates, perfect for sharing with your victorious team mates!

Games and fun will take place at half time, including a Gin roll game with the chance of winning a bottle of gin for just £1!

It would be great if you could come, and maybe put together a team with some friends from the school gate or the wider community. We found last time grandparents were very handy for certain questions! Or if you are coming on your own or in a pair you can join another team when you arrive.

Tickets are available on the door, but it would massively help us if you could pay in advance through the school money system. You won't receive a paper ticket, but we will have a printed list on the door.

This event is not aimed at bringing children because of the lateness of it.

Last year friends of Oakmeadow were able to make donations to the school of over £20,000. As well as raising finance we also want to provide social events where parents can get together and widen the sense of community amongst parents. We are really hoping that with your support this quiz night can help us achieve both.

Many thanks as always for your support

Friends of Oakmeadow
