Dear Homes

Please know that there are no changes to our current childcare arrangements, we will be considering the latest Government announcements and will share information with you soon, in a letter, through our website/blog.

Our intention will be to support, in anyway we can, our community but with no negotiation on safety. At this time adhering to social distancing requirements is essential and planning for small children to do this... almost impossible!

So with that in mind, please be patient with us as we set about this task and please be reassured whatever plans we put in place will be safe plans. Our children and community, staff and homes matter.

With kind regards

Carla Whelan
