Shrewsbury Town Inclusion Cup Champions

On Monday 19th November we took two teams to take part in the Shrewsbury Town Inclusion Cup. Both Oakmeadow teams were drawn in the same group- one team won the group and the other finished as runners up.

Oakmeadow orange team then went on to play Wilfred Owen School in the final, an impressive performance from the whole team winning 5-0.

Well done to both teams, you all played some good football and were a credit to the school.

U10 Boys

U10 boys were on fire winning the group in style with maximum points.

The boys started the night against a very physical Redhill team, we came away with a 2-0 win.

Next we played Market Drayton, we were certainly a team on form winning 7-0 in a 10 minute game.

Through to the next round in style.

Well done boys!

Wow Moment

On Sunday 17th November, Bayston Hill under 8s football team carried the centre circle banner onto the Shrewsbury town pitch at the start of the game.

Jump In! School Voucher Scheme

Bosses at a Shropshire trampoline park today launched a voucher scheme to give children the chance to win a free school trip.

‘Jump In’ Shrewsbury has launched its school scheme which will see bouncers collect a voucher to be handed in at their school or nursery. The class will be able to collect discount vouchers each time they attend a bounce session at the Henley Way venue and then the school can use them how they wish.

General manager Duncan Kemp said: “We know there are lots of national voucher schemes out there providing much-needed equipment for schools - but we believe giving children lots of experiences outside of the classroom is important in addition to everything they learn within school.

Carla Whelan, Headteacher of Oakmeadow Primary School in Bayston Hill was the first school to join the scheme.

“This is a great idea as children love collecting vouchers and for them to be rewarded with a free trip once they have collected enough is fantastic.”

“It is trips like these that create very special memories. We must remember not all children are fortunate enough to be able to visit such venues at the weekends or during holidays so those who are fortunate enough will be giving their friends and peers the chance to experience the same.”

“We will be saving for an end of term trip or maybe some pre-Christmas visits if we collect enough by then and may use them as our reward scheme too.”

To take part, ask reception staff for a voucher and hand it in at school. One voucher will be issued to any child or young person aged 18 or under booked on to a bounce session - only the birthday girl or boy will be able to collect a voucher when a party is booked.
