

**Friday 15<sup>th</sup> March 2024**

Dear families,

It has been a pleasure to see the children dressed in red today for Comic Relief! Thank you to all those parents who have donated towards this on School Money – if you haven't yet been able to do so, we will keep it open until Monday 18<sup>th</sup> March 9am.

This afternoon was also our Science Fair. This is the first time we have held this at Oakmeadow and we have been amazed by the responses and work sent in by the children. We know you as parents and carers will have played a large supporting role in this so thank you! The children all had slots to walk around the fair this afternoon and the projects have raised some excellent discussion points. It's really important to us that we value all subjects, and so to put the profile on Science this week has been fantastic.

Next week Year 6 are out at Arthog and we have our Easter performance for Years 3 and 4 which we know the children are looking forward to before we break up on Friday! It's been a quick half term but a busy, fun one!

I hope you all enjoy your weekend,

Samantha Hill  
Headteacher
