

## **Covid-19 Visitor agreement**

Please DO NOT visit school if:

- you have travelled from or transited through any of the countries or areas that are currently on 'lockdown' in the past 14 days.
- you have developed a fever (above 37.8C), new, continuous cough or a loss of taste or smell within the last ten days.
- anyone in your household is required to self-isolate in accordance with Government guidelines.

Along with all members of the school community, any visitors to the School should wash their hands with soap and water before leaving home and once they arrive at school. We have anti-bac gel available in the main school reception and temperature check will be taken by a member of the office team before you enter our school.

We are asking all visitors to wear a mask or face covering whilst they are in the building.

For the avoidance of potential embarrassment, we would also like to advise you that the School is currently operating a 'no handshake' policy for all members of its community.

For track and trace purposes, we need to keep records of everyone who has visited the school. We will keep this information for 21 days. We will share this information with test and trace if somebody within the school community tests positive for Covid-19. When signing in on our electronic system you will be asked to complete your name and a contact number.

With thanks,

Oakmeadow Team
