

# Shropshire Primary Schools Half Marathon

*A Shrewsbury Half Marathon Event*

We are delighted to be returning with the Shropshire Primary Schools cumulative half marathon for 2025. The final 1.1 mile event will take place on Saturday April 12th at the West Mid Showground in Shrewsbury.

# A rewards based cumulative half marathon

Shropshire Primary Schools Half Marathon gives children aged 4-11 the chance to complete their very own cumulative Half Marathon in a supportive, non-competitive environment.

With a Half Marathon representing 13.1 miles, the challenge sees children complete the first 12 miles at school over the course of a term or half term, 1 mile at a time, before running the final 1.1 miles on event day in front of family and friends.

The children are treated to a dedicated “full race” experience including race bibs, a marshalled route, music and a start and finish line gantry, allowing them to enjoy and experience the thrill of a big sporting event and to be cheered on as they complete the final leg of their challenge. They receive rewards as they progress through their mileage including a fantastic medal and t-shirt for their efforts. The event is licenced by England Athletics to ensure standards are that which would be expected for any Adults Half Marathon.
