### **The Governing Body**

As you will be aware school leadership is a team effort in every school and each school is overseen by a governing body. Since 2013 the chair of our governing body has been Gary Felton. Gary stepped into this position at a time when the school was experiencing a lot of difficulties, change and had recently amalgamated. As the newly appointed Head in 2013 there were some very clear areas for improvement at this time and over the first two years there was a great deal to accomplish. Together as a team we set about meeting these challenges and more. Over the last 5 years the school has grown in strength, achieved fabulous results and invested in securing excellence across all areas, with committed staff and energised children. It is at this point that Mr Felton has decided to step down from this position and relinquish his position as governor.

I would like to take this opportunity to share my huge amount of gratitude to Mr Felton for the time he has dedicated the school, the unconditional support he has given me as Head and the integrity he has shown in this role.

I would also like to share with you that our newly elected chair is Keith Winter. Mr Winter has been a governor for a number of years, has a huge amount of experience to support the school with its continued success.

On a final note if there are any parents who are interested in becoming a governor, influencing decisions and contributing to the running of the school do not hesitate to contact school. Please email: [Judith.hoy@oakmeadowprimary.co.uk](mailto:Judith.hoy@oakmeadowprimary.co.uk)
