31st March 2023

## Dear Parent/Carer,

Following on from the uniform consultation we held in the Autumn Term, we have reviewed the responses and made some changes to our uniform requirements in order to support our school community. Full details will be uploaded onto our school website after Easter.

We will be reducing the number of branded items children and young people are required to wear. In order to maintain a sense of belonging and shared identity, there will be items that remain compulsory, and we have detailed below which items these are. We have also provided a list of required items, even though these are not required to contain the school logo.

## Branded items that are required:

School sweatshirt or cardigan (also worn for PE)

## Non branded items that are required:

Teal polo shirt (there is a branded option)

Black or grey school trousers

Black or grey school skirt

Black or grey tailored school shorts

Purple summer dress (summer term only)

Plain black PE shorts/joggers for PE

White t-shirt or polo shirt for PE

Black or White trainers/pumps for Outdoor PE

We know some children prefer the branded items and it is easier for some parents to purchase the fully branded uniform, our uniform supplier will be selling any existing stock over the coming months however once these items have sold out or sizes are out of stock, they won't be replaced.

In addition to the reduction in branded items, we have also worked with our uniform supplier to offer free delivery to schools once per month. Therefore, if you place an order online by 15<sup>th</sup> of each month, items will be delivered to your child's school by 30<sup>th</sup> of that month free of charge.

We thank you for your input on the recent survey – if you have any further comments, please contact <a href="mailto:admin@oak.mmat.co.uk">admin@oak.mmat.co.uk</a>.

**Kind Regards** 

The Oakmeadow Team
