Dear Parents and Carers,

We're pleased this week that the snow hasn't caused too much disruption to school. It was so lovely to see the children playing outside in the snow, particularly on Tuesday when it was clear and less icy. School will always try to open on snow days, only closing when absolutely necessary. This might be due to conditions for families getting into and around the village, or due to staffing being impacted. This week enough staff were able to get into school for us to open. We did feel it best with a number living out of area to rearrange Tuesday's parents evening – thank you for your flexibility in this. If the new date of next Tuesday doesn't work for you please feel free to contact admin to arrange a suitable alternative with the classteacher.

It was a pleasure on Monday to hold Head's Tea. This is where a pupil from each class gets nominated by their teacher for an award for sustained achievement over the term. Well done to all those nominated for the Autumn term. We try to ensure all children get recognised through our reward system of house points, lunchtime awards or our certificates each week for learning and values. We also like to use Fridays as an opportunity to share achievements outside of school so please feel free to send in any certificates, medals or just messages about things your child has accomplished in their spare time.

Next week we have the Scholastic Book Fair in school and also our Mastering Number workshop so we look forward to seeing you there!

Best wishes for the weekend!
Samantha Hill
Headteacher
