

Year 2 Home Learning

Dear Parents and Carers,

Please find attached some activities for your child to do while during their time at home. We would like children to keep up their daily reading. They can do this by using Bug Club where books have been allocated and are appropriate to each child's book band. Children have a login for this which is stuck in their reading record books or homework diary. The children are very familiar when navigating this application.

As well as the activities we have sent, the children could learn their times tables on Times Table Rock Stars, do general number activities on Numbots and access a range of activities on Purple Mash.

Times Table Rock Stars - <https://ttrockstars.com/>

Purple Mash - <https://www.purplemash.com/sch/oakmeadowsy3>

Numbots - <https://play.numbots.com/#/account/school-login/8665>

Active Learn Bug Club- www.activelearnprimary.co.uk

Phonics Play (free) -

https://www.phonicsplay.co.uk/?fbclid=IwAR1ntzAGuB5aEaf4DnEwd2aqHKGM8cAL1ecD_LCNvvIT0Y0j-SU5XrcBOHk

We will **update Seesaw** each Monday with Maths and English activities. They are based on subject areas that we have already covered this year and will provide your child with an opportunity to practise. These can be completed in the English and Maths books which will have been provided for home learning.

Additional Resources

Please use sites such as TWINKL, who are offering free subscription for parents. This site has lots of resources that will help you to

support your child's learning in lots of curriculum areas. You may wish to access this for additional activities for your children to compete. Here are further details:

How do teachers and parents sign up for the free month?

Setting this up is really easy to do - go to www.twinkl.co.uk/offer and enter the code that you have been sent by Twinkl or by your school.

We have a number of really helpful guides, designed for parents, for different areas of the curriculum. You can direct parents towards our dedicated [Parents' Hub](#) which contains hundreds of educational activities designed for use at home. Or, browse this area yourself and hand-pick individual resources to share.

For parents with children in EYFS, take a look through our [EYFS for Parents area](#) to find some really useful guides and activities to share.

For primary-aged children, take a look at our [5-11 area](#). Again, this was created with parents in mind so it's filled with guides and information about what children should be learning in each year group, for each curriculum area.

For parents with secondary-aged children (for ages 11 to 16), take a look at the [Beyond area](#) of the website. Resources are available for English, Maths and Science, as well as languages, art, humanities and other curriculum areas. Lots to keep older children occupied.

Our [Parents User Guide](#) and general [Twinkl Membership guide](#) are both useful documents to refer to for general information about the site, our content and how to find it.

Reading Comprehensions can also be completed to support your child's reading development. These are available via Twinkl, including a vast array of themes.

Thank you for your support and we hope you and your family all keep well.

Mrs Kirby and Miss Taylor
