Dear Parent/Carer,

From September 2024, the new class for your child will be Hedgehogs and your teacher will be Mrs Neill.

Mrs Neill

#### Introduction from the class teacher:

Hello and welcome to Hedgehogs! 😊

I am really looking forward to starting our learning journey together, in Year 4. I am sure that we will work hard and have lots of fun at the same time. I am sure that the children will recognise me as the class teacher for 'Badgers' however, this year, I am delighted to become a 'Hedgehog' with you.

#### Background information:

I started my teaching career in my hometown of Derby where I taught in an inner-city school for 5 years. This will be my twelfth year of teaching and my sixth year of teaching in Shrewsbury. I have previously taught our year 5 cohort for the past four years but I am delighted to begin a new learning journey, in year 4, this year. We have many exciting units of work to look forward to and I can't wait to support our 'Hedgehogs' achieve their potential.

Currently, I am enjoying my role in co-ordinating Art within school and supporting my colleagues in delivering our wider curriculum. I am passionate about ensuring that the children are given as many opportunities to engage in as many enrichment activities throughout the year and I can't wait to share all of our achievements!

Outside school, I am known as a keen Disney fan and take every opportunity to celebrate all things Disney. As Walt Disney said himself, 'We keep moving forward, opening new doors, and doing new things, because we're curious and curiosity keeps leading us down new paths'. As well as this, I thoroughly enjoy baking, gardening, discovering new places to explore in the local Shropshire countryside and relaxing with my art and music.

Best Wishes

Mrs Neill
