13th March 2019

Dear Parents/Carers

Continuing with Year 3 / 4's quest to save the planet, our Easter production is called Eddie the Penguin Saves the World. Throughout the show, there will be a clear message about how all of us can make a change to help save our environment. The story follows the adventures of Eddie and his penguin family as they travel the world trying to save their home. Filled with a selection of catchy and thought provoking songs, we are sure you'll enjoy this fantastic production.

The performances are on:

- **Tuesday 9th April at 10am**
- **Wednesday 10th April at 2pm**

This year tickets will be available to purchase for 50p via the School Money Website. As voted for by the School Council the money raised will be going towards developing our outdoor area.

The online system was trialed at Christmas and worked much more efficiently ensuring all parents had a fair opportunity to purchase tickets and also reduced the time parents spent queuing to sign in.

Due to spacing in the hall we request that each family purchases two tickets in total in the first instance. This will ensure everybody gets a fair chance to see the performance. Following this if we have tickets still available we will then release these for you to purchase a further two.

Tickets will be available from 4pm today (Wednesday 13th March) and your first two tickets will need to be purchased by 9am on Monday 18th March. We will then release any tickets still available at 4pm on Monday 18th March for you to purchase a further two.

By allocating tickets this way we hope that as many parents and grandparents as possible will be able to enjoy their children's performance. Thank you for your consideration and cooperation this will help to ensure that no one is disappointed.
