From May 11th:

REF: Extending our provision - **to front line NHS one key worker homes**

Dear Homes

Changes:

We are doing all we can to accommodate our parents and support where we can. I have been contacted this week by homes where people are being asked to return to work. While we will do our best to support, we must remain equitable and fair.

With that in mind we will try our best to help. **Therefore if you are a NHS front line worker (a doctor or a nurse etc) and are a one key worker home we may be able to extend out our childcare to support. If you meet this criteria and need to use our childcare facility please do the following:**

1. Email:

Samantha.frost@oakmeadowprimary.co.uk

2. This will then enable us to send you an electronic online form to complete - allowing you to tell us what **days you require.**

3. We will then **review our numbers** for that day/ days (as we must remain at a number that supports our social distancing requirements) and **contact you if we are able to provide this facility for you.**

Please know at this time the advice is that where children can be at home, *this is the safest option*. We, as a school, MUST adhere to the social distancing requirements and keep our numbers as low as we can currently. After Government announcements we always review (in line with the latest scientific advice) and inform you of anything changes. These are shared through our blog which feeds to both our twitter and Facebook accounts. Please use this as a way of keeping up to date with our announcements. Thank you.

Keep safe.

Mrs Whelan
