Dear Parents/Guardians,

VALOR PRECISION COMBAT AFTER-SCHOOL CLUB

With reference to the above mentioned, the Valor Precision Combat After-School Club at the Oakmeadow C.E. Primary School will commence from Thursday 16th September 2021 between 3.30pm-4.30pm, during Term-time.

This is a great opportunity to learn self-defence skills with our professional Martial Arts Coaches. Valor Precision Combat is a dynamic Hybrid Martial Arts System which teaches a fusion of Ju Jitsu, Kung Fu, Kickboxing and Filipino Martial Arts (FMA).

WHAT ARE THE KEY BENEFITS FROM LEARNING MARTIAL ARTS WITH US?

- Develop self-defence techniques, adaptable to suit varying abilities.
- Build confidence and focus.
- Increase fitness and co-ordination in a fun, challenging way.
- Strengthen concentration and determination whilst maintaining a positive attitude.
- Our professional Coaching Team provides support and understanding for each student to achieve their goals.

Classes are £6 each up to the 28th of the month from when a student commences. All classes are required to be initially pre-booked under the Pay As You Go option for new students via www.bookwhen.com/valorcombatsystems, until the Standing Order Membership is in place. No student will be allowed to train unless they are pre-booked, including when the Standing Order Membership is set up.

The Standing Order Membership of £25 per month is inclusive of one class per week plus their annual Martial Arts insurance. If any student is unable to attend their regular School class, please cancel their booking via your Bookwhen confirmation email. If they wish to take the opportunity to catch up with a missed class, they are welcome to train at any of our clubs held locally throughout the week. Pre-booking is still required if training at any alternative venue.
