3<sup>rd</sup> October 2023

Dear Homes,

The Year 6 Team are looking to launch a SATS boot Camp for our Year 6 children. This new program will be a way of targeting areas of need for our children in relation to Maths, Spelling, Grammar and reading.

The aim of SATs Boot Camp is for our learners to become a champion of the SATs style questions and grow in confidence and resilience when approaching the assessments. Please follow the attached link to view the programme [SATs Boot Camp - Year 6 SATs Revision, Practice Papers & SATs Questions Online \(yearsix.co.uk\)](https://www.yearsix.co.uk/SATs-Boot-Camp-Year-6-SATs-Revision-Practice-Papers-&SATs-Questions-Online)

We would like to invite parents to an information meeting on Tuesday 17<sup>th</sup> October at 5pm in the main hall where the year 6 teachers will go through the programme before it is rolled out to the children.

Please complete the attached form to indicate your attendance.
