1<sup>st</sup> June 2022

Dear Parents/Carers,

We have been working with our uniform supplier RAM Leisure to make the purchase of uniform as easy as possible for our school community.

Orders can be placed <https://ourschoolwear.co.uk/collections/oakmeadow-ce-primary-school-shrewsbury>.

In response to parental communication regarding delivery costs we have managed to secure a free delivery to school option on the following dates:

- o Orders placed online by 17th June for free delivery to schools on 22nd June
- o Orders placed online by 8th July for free delivery to schools on 13th July
- o Orders placed online by 15th July for free delivery to schools on 20th July

Orders will be delivered on the above dates and will be brought home by your child.

Samples of jumpers and polo shirts are available at school - we now have a rail in the main reception so you can check sizing prior to ordering.

Please note - we highly recommend trying on samples prior to ordering as returns would need to be sent back directly by yourselves to RAM Leisure for £3.25 (returns information will be in the parcel).

If you do have any queries directly for RAM Leisure they will support with communication by adhering to a 48hr response time on emails to [info@ramleisure.com](mailto:info@ramleisure.com) – please ensure emails include order number, school your child attends, sizes and products needed to help with the query.

We thank you for your continued support.

Kind regards,

Samantha Hill  
Headteacher
