

Friday 1st March 2024

Dear families,

This week we had our SIAMs inspection. This inspection focuses not only on our Christian Distinctiveness but overall how our vision is enabling the pupils to flourish, on inclusion and wellbeing, how successful the teaching of RE is, collective worship and how we prepare children to be positive contributors to society through our personal development offer. The inspection was a positive experience for all involved and it was a pleasure for us to share what we do as a school. The report will be available in about three weeks and we will share this and the result with you when we receive it. I would like to say a huge thank you to the parents and carers who spoke to the inspector on the day and for the kind emails of support. These mean such a lot to the staff here.

We are also proud to say that we achieved Safer School accreditation status once again last week. This process involves a visit to our site from Shropshire Council's Crime Prevention Officer who looks at school security and personal safety, taking the voice of our families and pupils. Again this was a very positive experience and we are grateful to all who contributed to this!

Best wishes,
Samantha Hill

Headteacher
