Dear Homes,

We would like to let you know that in Year 4 there is now a statutory Government Multiplication Check that the children must complete. This will take place in June and the children will be tested on their knowledge of their times table facts. They will be given 25 random questions up to 12x12 and will only have 6 seconds to answer.

We do not wish for pressure to be put onto the children on the lead up to this, although we would like you to be aware that the more practising of times tables that you can do with your child, the more confident they will feel during the test.

We will be holding a meeting on Zoom (see link below) to give further information about this and answer any questions that you may have. The session will be recorded for anyone unable to attend the meeting.

Date: Monday 1st November Time: 5pm

We appreciate your continued support with this. Please get in touch if you have any questions.

Many thanks,

Miss Taylor, Miss Gries and Miss Davies.
