Dear Families,

From September 2024 your child's new class will be **Grasshoppers**.

The teacher will be Mrs Powis

### Welcome to Grasshoppers!

I am thrilled to be your child's teacher as they embark on their new adventure at Oakmeadow. This will be my fourth-year teaching, having taught in Centipedes and Grasshoppers previously. I am delighted to remain in Grasshoppers and be apart of the important milestone of your child's education. Our Early Years team all work closely together to create a safe and nurturing environment. We cannot wait to see what our year has in store! I am always amazed by this year group and all the magical moments that occur every day.

During transition we dedicate lots of time getting to know your child, so here is a little bit about me. I have loved working with Early Years team and sharing my passion for art, crafts, and science with the children. I love being outdoors and taking our learning outside of the classroom whenever we can. Above all else, I am passionate about reading. Books hold a special place in my heart, and I look forward to sharing stories with the children every day.

I am excited to partner with you in celebrating your child's journey at Oakmeadow. Enjoy your summer, and I eagerly await our September start!

Warm regards,

Philippa Powis
