Dear Parent/Carer,
From September 2023 your child's new class will be Grasshoppers.

The teacher will be Miss Jennings

Welcome to Grasshoppers! I am delighted to be working with your child as they begin their new adventure at Oakmeadow. This will be my third-year teaching, having taught in Centipedes and Grasshoppers previously. I am delighted to remain in Grasshoppers and be apart of the important milestone of your child's education. I cannot wait to see what our year has in store!

During transition we spend a lot of time getting to know your child, so here's a little bit about me. I have loved joining the Early Years team and sharing my passion for art, crafts, and science with the children. I love being outdoors and taking our learning outside of the classroom whenever we can. Above all else, I am a huge book lover. I am always adding to my ever-growing collection of books and I enjoy sharing a story with the children every day.

Our Early Years provision and environment has changed significantly in the last year, I am very proud of the team's hard work and look forward to building on this over the next year. In Grasshoppers, we are very lucky to have Mrs Thomas working with us and Mrs Bennett working across both classes for 3 days a week providing her specialist support with Speech and Language development. As a team we work closely together to ensure all the children are supported in a safe and loving environment.

I would also like to take this opportunity to welcome you to our Early Years team. I am excited to work in partnership with you to celebrate your child's journey and achievements at Oakmeadow. I hope you have a relaxing Summer, and I look forward to seeing you in September!

Best wishes,

Philippa Jennings
