Dear Parents/Carers,

In preparation for the upcoming SATS in May, we have purchased revision books to support your child's learning in the tested areas of maths, grammar, punctuation and spelling.

The workbooks we have purchased feature questions and problems on specific areas for your child to work on and are laid out in a style similar to those that they will encounter in the test.

These are available to purchase from school (via our school money website) at a cost of £6.00 for both books. We recommend the purchase of these books as we feel that they greatly benefit the children by giving them valuable opportunities to embed their skills. We intend for the workbooks to be the basis for homework over the next few months and so will also be a useful tool for both teachers and parents to revise areas covered in class.

Thank you in advance for your continued support and please feel free to contact us if you have any issues or queries,

Yours sincerely

Mrs Hill and Mr Ostermeyer
